

## **New Year's Eve Celebration Fundraiser**

### **Member Scholarship Application for the Conscious Business Circle**

The members of the Conscious Business Circle value unique contributions by entrepreneurs choosing to live their deepest purpose and have decided to offer partial or full scholarships for people who want to bring their gifts into focus and step into fuller expression of who they are, but who cannot manage the full-price investment of membership at this time.

If you would like to be considered for one of the scholarships, please fill out this application completely and email it to [sylvian@ourcommunityconnection.com](mailto:sylvian@ourcommunityconnection.com) before Dec. 31<sup>st</sup>, 2009.

If you want to review how this program will propel you forward in sharing your purpose and making a good living with the work you love, go to [ConsciousBusinessCircle.net](http://ConsciousBusinessCircle.net).

The applications will be reviewed during the first week of January in the order received (so apply now!) and voted on by the members. I will let you know if your application has been accepted.

We are offering PARTIAL or FULL scholarships depending on the need of the applicants and how much money is raised at our New Year's Eve Celebration/fundraiser. Partial scholarships will be fulfilled first so that we can accept as many applicants as possible.

The regular investment for membership is \$396 for the one-year program with payments of \$33/month. If paid in advance the investment is \$296/year. We are asking you to commit to a financial investment that represents your investment in creating value from this experience.
